WELCOME!

Greetings wanderer! Come into our warming hut, and seek shelter from the white-outs. Enjoy the space, make out, make love, make friends, make time for each other. The dust will wait.

While you are in the cock, take a moment and write something in this journal. It can be anything at all, from a burning man experience to a raunchy sex story.

Thank you for stopping by.

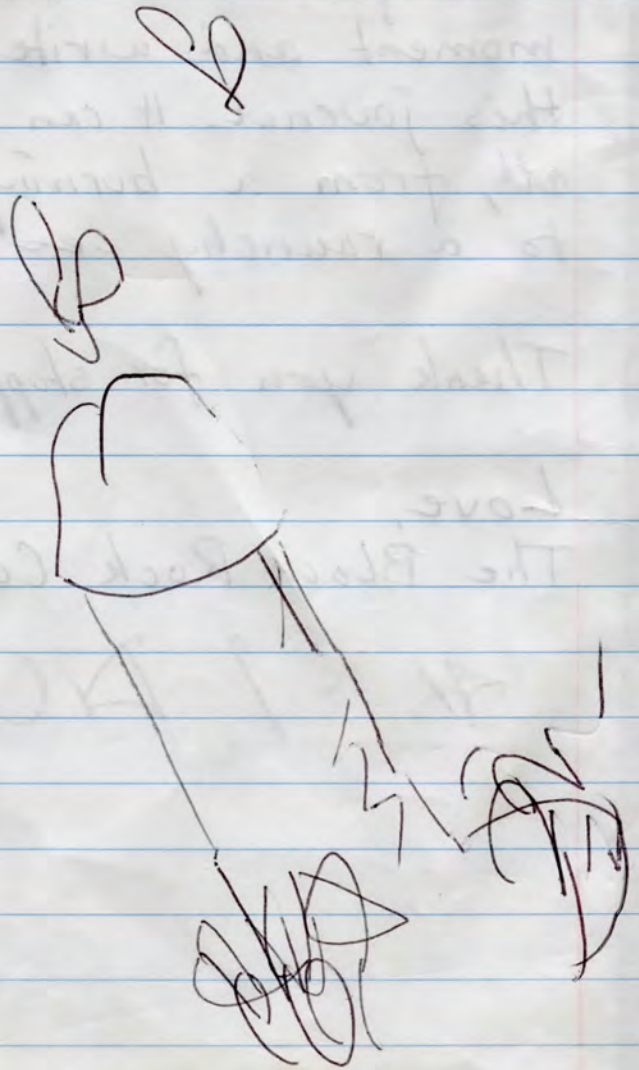

Love,

The Black Rock Cock.

What happens
in the cock box
stays in the cock box

I told my girlfriend that I wanted her and her busty friend Debbie in bed. She and Debbie said O.K., but only if you bring another guy for a 2 guy/1 girl threesome. My girlfriend invited Tyrone and she set up the scene - he fucks her and then I lick her pussy clean. Ok if I get her and Debbie, my girlfriend has small boobies and I wanted to check out some large boobies for once.

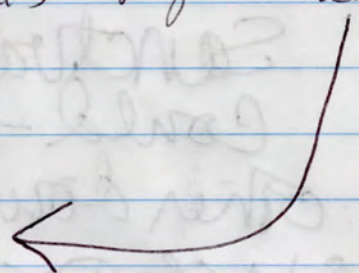

Next weekend it was me, Tyrone and Debbie. She wanted me to suck off Tyrone, I tried it and that scenario suck Dick big time. Debbie stayed dressed - she just wanted to watch. The next weekend Debbie decided to cancel the deal. Never trust women!

So I was visiting Nevada's "Sagebrush Ranch". I met a total babe named Cherry. She had the look of a Playboy[®] Centerfold who had reached her mid-20's. After handing over my cash I asked her if she had any preferences and she said she was a "pro" for 5 years and this was "all business" for her. She told me to "go ahead and take her like Grant took Vicksburg". Oh, well, as she said, in a few minutes, I could see that my technique was a super-turn-on for her.

She came big time, but so did I. Afterwards she offered to give me all my money back plus a tip if I stayed one more hour. I agreed to stay.

Oh, yeah, I could not make up a story like this (I did not use her real name, however) My technique was quite simple and basic, I guess I just ~~really~~ turned her on.
